AMIGA CD³²™

Trivial Pursuit™

Let me introduce myself.

My name is Russell and I'll be your host in this amazing new version of the world's most popular board game. The questions are as trivial as ever but now they are spoken! Thanks to the power of CD32 there are now superb colour pictures, music and sound effects too. Phew!

- * 2,000 questions
- * all questions spoken
- * music and sound effects
- * cartoon animation
- * superb pictures
